Subject: June and July CAG agenda's

Hi All.

Well, it's getting to that time again for resolving the agenda for the next meeting. Since I'm not going to be at the July meeting and I may be rather busy with last minute plans (I'm getting married July 10th!), I was hoping we could hash out the agenda for both the June and July meetings and that way we'll be all set till September. Please send me your availability for next week to schedule a call. Wednesday and Thursday are the best days for me but I do have other availability.

Thanks and have a good weekend!
Elizabeth

Here are the preliminary agenda's for each month and a list of additional topics to possibly include somewhere.

June

Projects Update (removal, 8-mile, 17-mile)

Presentation of 17-mile project by CPG (Stephanie, have they agreed to do this or a preview of their presentations for the PR Symposium? I wasn't sure.)

Subcommittee reports

July

Projects Update (removal, 8-mile, 17-mile)

Background presentation on restoration and natural resource damage processes

Subcommittee reports

Additional topics

Presentation and discussion of lower 8-mile clean up and disposal options

Restoration work - view a restoration project?

River visioning exercise

Presentation by a boat club

Fish windows
